Hearing the stories of our past, spanning thousands of years, makes for one of the most thrilling and rewarding learning experiences the curious mind can have. This series of history courses survey dramatic adventures—and how they have shaped our lives—in a way that’s comprehensive and unforgettable.

### CORE COURSES

Explore the foundations of history through three selections which provide a broad, panoramic learning experience that will help you pull an enormous sweep of history together into a coherent framework.

- The Foundations of Western Civilization
- Foundations of Western Civilization II: A History of the Modern Western World
- Foundations of Eastern Civilization

### ELECTIVES: U.S. History (Choose 3)

Examine key battles, social upheaval, significant figures, and lasting influences as you select three courses that feature significant turning points in American history.
